

OHMAN SCHOOL OF BALLET

2022 SUMMER INTENSIVE

August 8 – August 19
Monday – Friday 9:00 a.m. – 3:30 p.m.

Ohman School Students: must have completed at least one year of Division 1A up through Division 5

Students from other studios: ages 9 – 18 with minimum 2 years ballet training

PROGRAM DESCRIPTION

Each day begins with a body conditioning/strengthening class such as Yoga, Pilates or Floor Barre with fully qualified and certified instructors. As is age appropriate, younger students may have Stretch/Tone or Stretch Floor Barre classes. These are followed by daily technique classes in each of the levels. Depending on the level and day, classes after technique will include Pointe, Contemporary, Modern, Jazz, Variations, Choreography, Theater Dance, Ballet Theater/Mime, and Beginner Tap

This program is truly an “intensive” with no major gaps of time between classes as is the case with so many other programs. There is a 45 minute lunch break Monday – Thursday and an extended one hour lunch on Fridays to allow for “Pizza Friday” and some fun with “Ohman’s got Talent” time. There will be several water breaks and snack time is built into the schedule. Studios and lunch area are air-conditioned. The wearing of masks continues to be optional barring any unforeseen new mandates.

Summer Intensive instructors will include Lara Damadeo, David Fernandez, Donna Florida, Jessica Hambley, Nicole Loizides-Albruzzese, Eureka Nakano, Andrea Redman, Cecilia Saia and special guests from New York City Ballet.
